

Current report No. 6/2019

Date of preparation: 2019-02-18

Subject: **Preliminary standalone financial results for 2018.**

Legal basis: Article 17 paragraph 1 MAR - confidential information.

The Management Board of IMPEXMETAL S.A. (Company) informs that after completion the process of aggregation of financial data for 2018, a decision was made to publish preliminary financial results for the abovementioned period.

Preliminary financial results of IMPEXMETAL for 2018 (data in brackets for the corresponding period of 2017):

- Revenue: PLN 1.230,6 million (PLN 1.140,4 million),
- Gross profit: PLN 156,4 million (PLN 136,5 million),
- Operating income: PLN 142,5 million (PLN 107,5 million),
- EBITDA: PLN 180,4 million (PLN 142,6 million),
- Net profit: PLN 141,6 million (PLN 73,9 million).

The results for 2018, as compared to the results achieved in 2017, were driven mainly by:

- Increased revenue from aluminum products sales (by 3%),
- Improved production efficiency on aluminum products,
- Higher income from dividends by PLN 20 million,
- Release of provision for impairment of financial assets.

The Company informs that detailed information on the final results achieved by the Company and the IMPEXMETAL Capital Group in 2018 will be disclosed in the annual reports for 2018, which will be published on April 15, 2019.

Signatures:

Piotr Szeliga – President of the Management Board

Małgorzata Iwanejko – Member of the Management Board.
